County Assessor J. P. Berry and son Frank spent Saturday night and Sunday in Sonoma, greeting many friends and winning votes. The outlook is wonderfully bright for Mr. Berry's election.

The open season for deer will commence in Sonoma county today, continuing for one month. The time was shortened by the supervisors, as has been the case in other counties, so as to give the bucks a chance. Local sportsmen have been arranging during the week to enjoy the sportive chase, and it is expected that venison steaks in abundance will gratify many palates hereabouts during the month.

Extensive preparations are being made by the Sonoma Moose Social Club, for the big picnic, which is scheduled to take place at Oak Grove Resort, Sunday, August 9th. From Carl A. Weissbar, chairman of the committee of arrangements, we learn that reports from various branches of the lodge apprise the local fraternity of the coming of hundreds of visitors. The local Moose are working like Trojans to make this one of the biggest successes ever held in this city.

Sunday, August 2nd, being the first Sunday in the month, Holy Communion will be celebrated at eleven o'clock, a. m., at Trinity Episcopal Church. Evening Prayer at eight o'clock. Short sermon on Exodus 11:10: developing the story of the Plagues, which have been read at Morning Prayer for the past three Sundays. Holy Communion at eight o'clock, Friday morning. There will be no Sunday School until day of opening is decided upon.

The Index-Tribune deeply regrets to note the passing of Mrs. Oates, wife of Attorney James W. Oates, which occurred at her home in Santa Rosa last Saturday. Deceased was a member of an old and distinguished family, and a woman of rare refinement and culture. Mrs. Oates was a prominent figure in club and social life during the many years of residence in the city in which she was greatly beloved. Heartfelt sympathy is extended to Attorney Oates, to whom the death of his wife is a severe blow.

From G. Ritz, president of the Sonoma Valley Cannery, at Buena Vista, we learn that that concern will be operated to its fullest capacity, commencing with Monday next. The output will be a couple of hundred boxes daily. The company advertises in today's issue for women to peel and pack fruit.

The Rev. F. M. Larkin, of San Francisco, will preach in the Methodist-Episcopal Church tomorrow (Sunday) morning at eleven o'clock. Dr. Larkin is the editor of the "California Christian Advocate," which is one of the greatest religious papers on this coast. A cordial invitation is extended the public to be present to hear the distinguished speaker.

Leiser & McDewitt installed an electric stove in the home of A. Beretta, last week, the first to be operated in the valley. After a thorough test of the electrical contrivance, Mr. Beretta is very enthusiastic over his purchase, declaring it to be labor and time-saver, and a great comfort to the cook when the mercury runs high. Mr. Beretta believes, moreover, that food cooked by electricity is more palatable.

The Ralph Murphy family have been moving, this week, into their temporary residence place on the corner of Patton street and Linden avenue, and which has been converted into a comfortable abode by Contractor Murphy. As soon as time will permit his doing so, early in the fall, Mr. Murphy will erect a handsome home.

Editor R. B. Baer of the Healdsburg Enterprise has been appointed to succeed John C. Ingalls as postmaster of the enterprising Northern Sonoma city. The retiring postmaster—a brother-in-law of Mrs. Frank Koenig of Sonoma—has given exceptionally fine service in his official capacity, while his very efficient wife has been at the head of the money order department for sixteen years. Editor Baer is to be congratulated on his good fortune. It isn't often a member of the fraternity encounters a streak of good luck, and we certainly extend the glad hand, Brother.

Saturday night, at Woodman's Hall, a local branch of the Fraternal Brotherhood was instituted. The organizing of the lodge was effected by District Manager J. J. Banbury of San Francisco, Organizers Mr. and Mrs. John Henry, assisted by the officers of Petaluma and Novato Lodges. The following officers were elected: P. P. J. A. Landsborough; Pres., L. H. Green; Vice Pres., Mrs. Maud Watrous; Chap., Mrs. Sarah Gobar; Treas., Wm. Clewe; Sec., W. R. Hanson; Searg., Wm. Perry; M. at A., Miss Delia Marmori; I. D. K., Mrs. Angelina Yanni; O. D. K., A. L. Wells; Phys., Dr. I. C. Gobar; Mus., Miss Ethel Shau. A fine banquet was served at the close of the business session, dancing and a general good time following. A large delegation of officers and members of Petaluma and Novato Lodges were present.

Dr. Irving C. Gobar will move today into his new sanatorium—the Ralph Murphy home—on Napa street, and expects to be settled therein by the first of the week. During next week, carpenters and painters will have completed their work of renovation, and the following week, the date to be announced later, an opening day will be held, on which the public will be invited to inspect the sanatorium.

Albert Defanti, of Santa Rosa, who was sojourning at Sonoma Grove, met with a severe accident while enjoying a motorcycle ride through the valley last Sunday afternoon. How the accident occurred is not known, but the injured man was found in an unconscious condition on the roadside, the other side of Boyes' Springs, by Jos. Steiger, A. F. Tomasini, O. C. Hopkins and Al Jones of Petaluma, who conveyed him to Boyes', where he was given temporary relief by Dr. Parramore, and later brought in to Dr. Thomson for treatment. The injured man had his collar bone broken and was very badly bruised.

The A. D. Graham residence, at Boyes' Springs, narrowly escaped being consumed by fire, Thursday, the soot in the kitchen chimney burning out and igniting the roof. Mrs. Graham was preparing the noonday meal and unaware of the danger that threatened her home, but the timely arrival of her husband averted the catastrophe. The summons for help was speedily responded to and the flames extinguished. The building was damaged to the extent of about one hundred dollars, and although insured, Mr. Graham will not enter a claim against the insurance company, which treated him very generously when his home was destroyed some time back. Mr. and Mrs. Graham wish to express their thanks, through the columns of the Index-Tribune, to their neighbors, to whose prompt and effective service they owe the saving of their home.

Discussing the tearing down of the old house on the property of the California Telephone and Light Company, we were informed by Manager F. L. Wright that the plan in regard to the substitution lot in this city is to clean up the same and remove the objectionable old buildings and material from the view of visitors. A neat garage and storeroom will be erected, at the present time, on the site, and later a substantial office building, with one or two attractive bungalows. This work will be done as rapidly as time and finances will permit. The company has installed an electric range in the home of Mrs. F. Clewe, and expect, when this has been tested and proven satisfactory, a large development along this line of business. These ranges have been perfected to a point where they can now compete with gas and wood, having the advantage of cleanliness, safety, convenience and quick results. It is a proven fact that foods cooked by electricity almost pay for the amount of current consumed by the saving in food, there being very little shrinkage as compared with foods cooked by gas or wood.

WHAT OUR NEAR-BY NEIGHBORS ARE DOING.

VINEBURG

Dear Easy Jim: Last Saturday afternoon, while all of "us girls" were enjoying ourselves eating the most delicious ice-cream and dainty cream puffs in the rooms of the Five O'clock Tea Club, Ruby Rossmoyne informed us our ex-mayor, John Murray, was a candidate for constable of the township of Sonoma.

Everyone dropped their dishes—those that were empty, of course—and engaged in animated conversation, with "handsome Jack" as the subject. The unanimous verdict was that any man who could act as grand marshal and handle a big parade as successfully as did Mr. Murray in Sonoma, on June 13, 1914, was qualified to fill any office he aspired to. Therefore, it was resolved that the Five O'clock Tea Club support jovial John on election day. Unanimously carried.

Minnie Madden then asked us girls (of course, you know, some of us are quite old-fashioned), what varieties of berries we liked the best. Fannie Ferndale said her choice was strawberries, Tillie Tipton liked Logan berries, Viola Vineburg preferred blackberries, Olivia Oliver, raspberries. Sallie Schellville voiced this opinion: "Never mind, girls! on election day there will be only one berry that you will want, and that will be Joe Berry, our next assessor."

Yours truly,
CARRIE CARLETON

After a two weeks' visit with their parents at the John Batto residence, Mrs. August Figone and children and Miss Mary Batto returned to the Bay City, Saturday last. The visit at the old home was very pleasant.

A W. Lehrke started, Wednesday morning, on a hunting trip to Ignacio, Marin County, as guest of the Ignacio Gun Club, of which the gentleman is a member. The game preserves of the club are situated on the Pacheco ranch, which contains several thousand acres, and is said to be one of the finest hunting grounds in the State. Mr. Lehrke, as a general rule, has good luck and expects to land some game.

Mr. and Mrs. Albert Groeskopf, accompanied by their sons, Charles, Frank and Aloise, motored over to English Hill, Sebastopol, and were the guests of Mrs. Otto Gerick and her daughter and son. Miss Agnes and Otto Gerick, Jr., Sunday last. All report a pleasant time.

Mrs. H. T. Bell and daughter, Miss Eleanor, of Chico, Butte County, are the guests of Mr. and Mrs. W. H. Curry for the last few weeks at their cozy home near Vineburg. The visitors have just returned from a trip to Europe, and after a several months' sojourn in their Chico home will depart on a tour to the far East, in the early spring, to complete their trip around the world. Both ladies are well pleased with Sonoma Valley.

MRS. CEDRIC CUTTER (nee Marie Marc)

was the guest of her parents at Point Richmond, Sunday last.

Miss Paulina Robin, of Sonoma, was the guest of Mrs. Fred Batto and Miss Adele Andrieux on Monday last.

Fred Batto and son, Frederick, Jr., transacted business in Davis, Sacramento and Woodland, Monday last.

James Stonier, the popular superintendent of the Robert Hall orchards, reports he has a force of twenty men at work handling the crop, and ships about one carload of fruit daily.

George Cassidy, one of our best known citizens and orchardists, who has been quite ill for the last week or so, is now convalescent and his hosts of friends here will be glad to see genial George himself again.

About two months ago a circus man passed through this section of the valley, and I said there would be no fruit here this season. What a joke! Just ask our busy station agent, Grove Rubke—he'll tell you all about it.

Enrico Forni, one of Vineburg's most energetic citizens, marshal and ex-officio justice of the peace, is making many improvements around his pretty residence on Railroad Avenue. Professor Ricci has charge of the artistic garden work, which shows "some class."

Miss Adele Andrieux, the well-known and popular book-keeper and cashier for Batto & Sons', left on Wednesday morning's train on a visit to friends and relatives in the metropolis and Santa Clara County. The young lady was accompanied by her niece, Miss Louise Batto. The ladies expect to be absent a week, and their host of friends wish them a pleasant trip and safe return home.

One of our society men informs us that it is the "proper caper" at the present time to take your suit case with you when you call on your young lady friends. It does not make any difference whether the case contains a dress suit, a bottle of roof paint, or a sample of Early Rose potatoes. As long as it looks good on the outside, never mind what is inside—keep the ladies guessing. Bright young man that!

EASY JIM.

SHELLVILLE

San Luis School reopened last Monday with a good attendance.

Western Logan, a popular young man of the University town, is here for a well-earned vacation.

Richard Watt, our well-known fruit grower, spent Saturday in the metropolis.

Mr. and Mrs. Harold Pauli entertained a number of friends over the week-end.

Mr. and Mrs. Ernest Arbogast, former well-known residents of this place, report a fine time at Santa Cruz and vicinity, where they have been sojourning.

Mrs. E. E. Bennett is in Santa Cruz, looking after her property interests.

Mrs. J. A. Landsborough, of Locust Grove, visited her many friends in the Bay City, Saturday last.

M. L. Stoneberg and wife spent Sunday at the A. Stoneberg home.

Will Clements, of Eden Dale, spent the week-end in San Francisco.

A few friends from San Francisco enjoyed the hospitality of Mr. and Mrs. Randolph, last Sunday.

Miss Julia Brosnan, a trusted employe of Hale Brothers, San Francisco, visited friends here the fore part of the week.

A great many carloads of choice fruit are being shipped from the Schellville station just now.

Mr. and Mrs. M. Crandall were among the Santa Rosa visitors Tuesday.

Mrs. J. F. Leaby, of San Francisco, had a pleasant visit, Sunday, at the home of her daughter, Mrs. Erhard Steiger.

Mrs. Emma Steddom and Miss Helen Johnson autoed to the City of Roses, Tuesday, combining business with pleasure.

Genial Ben Meyer, of the Embarcadero hotel, accommodated a large number of guests, Sunday. After partaking of a good dinner, some of the guests enjoyed a motor trip around the valley.

A number of friends enjoyed a fine dinner at the hospitable Frank McGill residence, Tuesday evening of this week. Mrs. McGill is certainly skilled in the culinary art, and also a gracious hostess, hence it is not surprising that the guests report a good time.

On Thursday afternoon of next week, August 6th, Mrs. Fred Schell will entertain the Ladies' Aid Society of the Methodist-Episcopal Church, at her Schellville home. All who know the esteemed hostess are well aware that an enjoyable time is in store for her guests, so go and take your friends.

George Millerick was honored by the local Council of the Young Men's Institute, having been chosen to represent that organization at the Grand Council which convenes in Santa Rosa, commencing Thursday of next week. Popular Jack Murray, who should be elected constable of Sonoma Township, was named as alternate, and no doubt will be in attendance, as he is an enthusiastic member of the order.

To our charming young matron, Mrs. Harold Pauli, was accorded the pleasure of entertaining the ladies of the Bridge-Whist Club, Thursday afternoon, at her attractive Schellville home. No elaborate decorations were attempted by Mrs. Pauli, just a few roses tastefully arranged. At the conclusion of the afternoon's indulgence in the popular pastime, it was Mrs. W. F. Clewe to whom honors were awarded and she received a handsome wicker tray. Mrs. Pauline McMullin was next highest. The ladies will remember with pleasure the entertainment provided by Mrs. Pauli, who is an ideal hostess, as well as one of the most esteemed of our residents.

HAPPY JACK.

PETALUMA STRONG FOR PHILLIPS

From the Petaluma Argus we take the following, relative to Dr. Frank L. Phillips, who is a strong candidate for the office of coroner and public administrator. Dr. Phillips has a big following of ardent supporters in Sonoma, and he will certainly poll a handsome vote in this valley. Read what his home paper has to say of him:

It is a real pleasure to the Argus to announce that Dr. F. H. Phillips of this city, is a candidate for the office of coroner and public administrator. It is always a pleasure to us to support for positions of trust and responsibility, men whom we KNOW will give the people the best that is in them in their official capacity. This we know Dr. Phillips will do. During an acquaintance that has extended over a long period of years, we have learned to value his friendship very highly because of his unwavering loyalty at all times and under all conditions. This element of loyalty in personal friendships is ever an indication of the character of the man. The man who is loyal to his friends is usually loyal in all things, and we can assure all who read these lines that when the people shall have selected Dr. Phillips to the office of coroner and public administrator, they will have chosen a man whose every official act will be marked with loyalty to the people and to the duties that come to him with the office.

Dr. Phillips has lived and practiced dentistry in Petaluma a good many years. During these years he has been identified with the progress and growth of the city. He is one of our "live wires," and would bring to the office of coroner an energy that would be of great value to the public in bringing to light any element of the criminal that might exist in connection with the cases he would be called upon to investigate. He would also bring to the office valuable experience gained as coroner for San Benito county prior to his coming to Petaluma. And, best of all, Dr. Phillips would bring to the dual office of coroner and administrator of the estate of deceased persons an innate honesty and unswerving loyalty to the trust imposed in him that is characteristic of the man.

Delayed Construction.

When Principal Jesse F. Preatwood returns from Guerneville next week, he will be greatly disappointed to learn that the construction of the new grammar school building, for which he was such a zealous worker, is somewhat remote. From School Trustee Carl Dresel, we learn that no bid has been received within the prescribed \$30,000, that amount being exceeded by \$7,000. This amount, \$37,000, provides for only first-class material throughout, but it is the opinion of Trustee Dresel that in some instances materials of cheaper quality could be used without affecting the durability of the building.

United States Senatorial Contest.

The San Francisco Examiner, in its issue of last Monday, in commenting on the United States Senatorial contest in this State, reviews the attitude of a large number of interior papers of California in regard to the several candidates to be voted for Senator at the primaries on the 25th of the month.

In mentioning this paper, the Examiner says: "The Sonoma Index-Tribune favors Samuel M. Shortridge for United States Senator, but does not oppose Jos. R. Knowland. Now, what does Shortridge think about that?"

Now, it is not a question of what Mr. Shortridge "thinks about that." It is a question that concerns the Index-Tribune. Why should the Examiner assume because this newspaper is favoring Mr. Shortridge it should oppose Mr. Knowland, who, like the former, is an out-and-out Republican?

This newspaper is not engaged in pulling down one Republican candidate for a place on the Republican ticket to build up the other. In this case it is not necessary, as we are supporting Mr. Shortridge on his peculiar qualifications for the office and for his yeomanry service for the Republican party in California the past forty years. Mr. Shortridge is standing entirely on his own merits in the Senatorial contest, and he and his supporters have no reason to oppose any other Republican candidate seeking the Senatorial toga through a place on the ballot next November.

The Examiner is right. We are supporting Mr. Shortridge while not opposing Mr. Knowland. However, if it is any satisfaction to our big city contemporary, we make bold to assert should Mr. Shortridge, our choice for Senator, fail to receive the nomination, the Index-Tribune will take pleasure in supporting Mr. Knowland, or any other good Republican as against those renegade Progressives, F. J. Heney and Doc Rowell.

In the preliminary contest, however, the Index-Tribune is for Samuel M. Shortridge first, last and all the time.

OFFICERS REPLY TO EXPOSITOR

From time to time articles have been printed in the Sonoma Valley Expositor, calculated to belittle the acts of the Sonoma Valley Chamber of Commerce, Inc. So long as these remarks were confined to other than a reflection upon the honesty of its members, no attempt was made to answer the slurring remarks of the writer. The reason for not answering these articles, perhaps, was because they were so ridiculous and unjust that they created an impression for and against the organization, the opposite from what they were intended, and because it was fully determined by the citizens of this community who made up the Chamber of Commerce that there should be no more factional differences, and that the Expositor would never again be able to stir up a strife amongst our people, more particularly the Chamber of Commerce.

The function of a Chamber of Commerce is to assist the citizens of a community in whatever way it can, without prejudice against any faction, party or religion. It is not to be used by any person or persons for their personal benefit or glorification.

It is the intention of the present officers of this organization to keep it free from anything that resembles personal favors or special privileges. The meetings, both general and business, are always open to anyone who wishes to attend, and the business affairs are to be conducted strictly in accordance with the constitution adopted by the Chamber of Commerce, and are open to inspection, to any member of the organization. We intend to publish quarterly reports of the receipts and expenditures of the Chamber of Commerce so that each member can know just exactly where and for what his money was used.

If any member has any objection to the manner of conducting the affairs of the organization, it is his duty to attend and state the objection. We welcome such interest and assure him courteous treatment and attention; or, if anyone has anything to offer for the good of the organization, or the community, we will welcome him.

It is our intention to conduct this organization upon an "Open Shop" basis; there will be no "Star Chamber" sessions. Every man or woman who attends our meetings will have an opportunity to voice their opinions without fear of ridicule or interruption.

The latest article printed by the Expositor is headed, "Patriotism by the Day." To the mind of the writer, it is intended to reflect upon the honesty of the Black Point Cut-Off Committee and up-

on the trustees of the Sonoma Valley Chamber of Commerce.

But before entering into an explanation of this article, we wish to ask the Expositor a few questions:

First—How much had it contributed to the Black Point Cut-Off fund?

Second—How and in what way had it contributed to its moral support to the project of securing a state highway (the Black Point Cut-Off) between Sonoma Valley and San Francisco?

Has it not by innuendos and otherwise attempted to discredit the members of the Black Point Cut-Off Committee, and thereby make their work more difficult?

Is it not the fact that, until the Black Point Cut-Off became an actual, accomplished fact, it did not print a single commendatory line about the project?

Now, then, for the enlightenment of those supposed members of the Chamber of Commerce paying an automobile bill for the El Verano Development Association, as taken up in the article of the Expositor: Will say first, that the amount of the bill was twenty-five dollars.

Second—That twenty-five dollars, the amount of this bill, is all the money that the Sonoma Valley Chamber of Commerce has ever contributed to the expenses of the campaign for the Black Point Cut-Off. How is that for an organization like the Chamber of Commerce?

Why should it not have paid at least half of the campaign expenses, a project that will benefit Sonoma and vicinity infinitely more than it will El Verano? How is it that a little community like El Verano had to shoulder the burden of expenses and accomplish, at an expense of perhaps four or five hundred dollars to its little five organization, a project like the Black Point Cut-Off, while our community, with its Chamber of Commerce only contributed twenty-five miserly dollars?

The most probable reason is this: When the Black Point Cut-Off proposition was launched by the El Verano Development Association, there did not exist a Chamber of Commerce in this place. If it did exist, it was in name only. It had no organization and no funds. To all intents and purposes it did not exist. Two or three such organizations have been launched in this community, have collected money from the people, started off with a flourish and a bang, only to blow up miserably. No wonder the people here are reluctant about joining a Chamber of Commerce. We want to say right now to the people of this community, that this present organization is not going the way of the others, because in the operation of this organization we intend to adhere strictly to the constitution and by-laws. We intend to collect every dollar of our dues, because we do not intend

to let this organization out to the private interests of any person or persons, and further because we intend to use every means in our power to attract the interest of this community and by fair and just dealings with our members gain their confidence in the ability of an organization of this kind to do good for a community.

Getting back to the automobile incident the facts are these: The automobile whose hire we paid for was a rented machine, owned by Nels Long of Boyes Springs. It was used by the Black Point Cut-Off Committee in making a trip from Sonoma via Napa, St. Helena, Calistoga, Healdsburg and Santa Rosa. The trip was made in the interest of the Black Point Cut-Off, and for the purpose of securing the endorsement of the Chambers of Commerce of the several towns mentioned, and to interview several influential men, to secure their support in the final struggle for the consummation of the greatest project that this or any other community has ever undertaken.

You all know the results. The El Verano Development Association, because of its enormous expenses, had not enough funds to meet all its obligations, hence it asked our Chamber of Commerce to defray this one expense—twenty-five dollars—which we did, and for the benefit of those who were absent will say that there was not one dissenting voice amongst the members present; and also, for the benefit of all the members will say that, after this, we intend to pay our share of the expenses of any laudable undertaking that will benefit the whole community. If we cannot do this, we had better quit right now and not wait to fizzle out like our predecessors.

Signed:
A. M. Thomson, President of the

Sonoma Valley Chamber of Commerce, Inc.
J. H. F. PICETTI, Secretary.

Candidate for Surveyor.

A. B. Mader, a well-known resident of Santa Rosa is a candidate for the office of county surveyor. He has been a resident of California for the past eight years, and at the present time and for the past year and a half has been the assistant engineer of Santa Rosa. The Republican is authority for the statement that during the eight years Mr. Mader has been a resident of California, he has handled much important engineering work. From his varied activities it can be seen that he has had much experience in his profession and if elected he intends to faithfully maintain a high standard of efficiency and accuracy in his office.

The universal eight hour law, which is to be balloted on at the fall election, does not affect the eight-hour law for women, hence the two must not be confounded by the voters. The measure that will be on the ballots reads as follows: "Any employer who shall require or permit, or shall suffer or permit any overseer, superintendent, foreman, or other agent of such employer, to require or permit any person in his employ to work more than eight hours in one day, or more than forty-eight hours in one week, except in case of extraordinary emergency caused by fire, flood or danger to life or property, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than fifty dollars nor more than five hundred dollars or imprisoned in the county jail not less than ten nor more than thirty days, or both so fined and imprisoned."

SOCIETY EVENTS---CLUB NOTES---PERSONAL MENTION

(BETSY JANE'S OWN DEPARTMENT)

The original "Bonnie Burr" was certainly not more clever in her disguise than was her name-sake, Miss Doris Clewe, who successfully concealed her identity until late in the evening, at the garden party, Saturday night. It was rare sport, this search for the mysterious lady, and I don't wonder that the bright eyes of Harold Hotz sparkled with delight when he discovered in the "little girl" skipping about, dignified Miss Clewe.

A pleasant surprise to friends was the eulogistic work of Miss Nancy Bates, all of whom, while aware of her dramatic ability, had not believed it possible that this talented Sonoma girl had attained so much of culture in the short period devoted to study. She has a full, rich voice and splendid dramatic force, and her selections were a treat.

During the evening, delightful numbers were given by our favorite vocalists, Mrs. L. V. Empanan, Miss Henrietta Weber and A. H. Jansen, all of whom are most generous with their fine talent, graciously contributing to the success of many beneficial social events. Encores were demanded, as a matter of course, and each composition was rendered most pleasingly. The instrumentalists, executed by Miss Emily Poppe (piano) and L. Homeier (violin) were musically gems and a delight to the many lovers of music present.

Mr. Homeier, a guest at the Wicker home, contributed largely to the success of the function by beautifully rendered selections on the violin throughout the evening. His genial personality is pleasantly infectious, too, and Mrs. Wicker is to be congratulated on having his assistance.

All in all, the affair was a gratifying success, and the ladies in charge—Mesdames H. J. Wicker (chairman), A. H. Bates, L. V. Empanan, E. T. Casson, H. H. Eaton, Geo. Lowell, A. W. Adler, L. S. Simmons, and the Misses Anna Pemberton and Doris Clewe, are deserving of the many compliments showered upon them for the successful management of the function. The ladies netted sixty dollars as a result of their efforts.

Another popular Sonoma Valley couple joined the ranks of newlyweds, Thursday, when Miss Helen Morris and Harry N. Lutgens were united in marriage. The nuptials were quietly celebrated in San Francisco, in the presence of the relatives of the happy twain. The bride and groom took their departure yesterday for Los Angeles, where the groom holds a responsible position. The fair bride, the youngest daughter of J. B. Morris of Agua Caliente, is one of the most beautiful girls in the valley, and as fine of character as she is winsome of personality. Harry Lutgens has been a favorite in this city throughout the years as he passed from youth to manhood. He is an exceptionally splendid type of American manhood, with the individuality that counts for success in life. May the winds be fair and waters kind to the matrimonial craft so happily, hopefully launched.

Tonight, at Chauvet Hall, Glen Ellen, a social dance to be given by the Glen Ellen Glee Club, with J. Pancrazzi, M. Sobbe and Jos. Trusty in charge of the floor. Fine music is to be provided for the occasion and a good time assured all who attend. Glen Ellen's social affairs are always enjoyable, the gentlemen and ladies who are placed in charge on these occasions possessing the happy faculty of knowing how to arrange really pleasurable functions.

The dancing party given by Sonoma Valley Council, No. 45, Young Men's Institute, Thursday night of last week, was a most pleasurable affair, and attended by a large number of member and friends of the fraternity. The music provided by Mrs. Ada Pauli and son Roy was up to its usual excellent standard, and the floor management was in charge of Wm. J. Kearney. Popular Will Kearney, is one of the few men to properly serve in this capacity, never neglecting those thoughtful courtesies so worth while to and appreciated by the stranger. These nice attentions contribute so much to the general pleasure of a company and have added in a considerable measure to the popularity of the Y. M. I. socials.

Miss Margaret E. More, whose friends had urged her candidacy for superintendency of public instruction, is not in the race as she did not qualify. While the friends of this able instructor have sufficient reason to believe that she had splendid chances of being elected, yet students of the Sonoma Valley Union High School and a host of friends rejoice at the announcement that Miss More has signed to teach here another year.

Oh, such a budget of delightful gossip, enough to make the heart of a society editor thrill with joy, were she permitted to detail it. To my infinite regret, I am bound to profound secrecy for a time, though. Weddings? Why, to be sure—one, two, three, four, think of that, will you, reader, mine! Three of the brides-to-be charming, popular Sonoma valley girls, with friends galore, and three of the masculine victims of Cupid's wiles are prominent in local business circles. The other happy lady and fortunate way—oh, but there! I've promised not to betray what the "sparklers" intimate.

Mr. and Mrs. J. Brink, of San Francisco, will be guests of their relatives, and Mrs. L. M. Bish, at Madrone Vineyard, tomorrow. On their return home, they will be accompanied by the lady's cousins, the Misses Marie and Alta Bish, who will visit for a week in the metropolis. Mr. and Mrs. Bish have also been entertaining their cousin, Mrs. Harper, wife of Dr. Harper of Carlin, Nevada, and Miss Mary White of Napa. The pleasant Bish home has provided delightful hospitality for guests entertained therein during the summer.

The beautiful composition, "In the Valley of the Moon," has taken Sonoma Valley by storm, and it won't be long until every girl will be singing and every boy whistling the fascinating melody, which was harmonized by Alfred Solman. The words and music are by Jeff Braen. John F. Picetti, of the Sonoma Valley Furniture Company, who keeps in stock all the best and latest sheet music, says the song "is selling like hot cakes" and he has had to order a second large installment.

Mrs. Wm. Dwyer and winsome daughters, the Misses Leona and Edna, returned to their home in Benicia, Wednesday, after a few days pleasantly spent in this city. Mrs. Dwyer was delighted with the encouraging reports that come from all over the county relative to the candidacy of her brother, Deputy Sheriff Ryan.

Miss Flor-nice Green entered the Lowell High School, San Francisco, Monday morning as a student. This popular Sonoma girl will be missed in the circle in which she is a favorite, but the anticipated pleasure of many week-end home visits reconciled friends to her departure.

Friends of the family are glad to note that Lorraine, the lovely baby daughter of Mr. and Mrs. Emily Cornelius, who suffered a serious attack of enteritis during last week, is much improved and will soon be her happy, healthy self again.

Miss Paulina Robin, who for the past year resided in San Francisco, has been visiting with relatives and her host of old-time friends here. She was accompanied by her cousin, Miss Victoria Robin. The ladies will return to the metropolis, Monday.

Mrs. M. Murphy and daughter, Miss Florence—one of Sonoma's best-liked and highly successful teachers—are expected home tomorrow. The ladies have been enjoying an outing at Summer Home Park, on the Russian River.

Dr. and Mrs. H. W. Gottenberg, Mrs. Carrie H. Burlingame and Jas. Gottenberg are expected home tomorrow from their week's outing at Dillon's Beach. Reports from the pleasure-seekers tell of a glorious good time.

Mrs. Paul Robin and children departed, Wednesday afternoon, for Port Costa, for a visit with the lady's mother, Mrs. Estes. On Sunday last, Mrs. Robin entertained for the day her sister, Mrs. M. Brerton of San Francisco.

R. J. McKeown came up from San Francisco to spend the week-end with his friend, Raoul Empanan and attend the Woman's Club Garden Party.

Miss Helena Clewe returned to San Francisco, Tuesday morning, after an over-Sunday visit with home relatives and friends.

Mrs. Clarence Nauman and children returned to San Francisco, Monday, after an extended visit with relatives here.

J. A. Landsborough, the genial business manager of the Expositor, spent Tuesday in the metropolis.

Mrs. Fred Bulotti is expected home today from her several days' visit in the Bay City.

Mr. and Mrs. H. John Sholden enjoyed the week-end at the Jos. B. Small home.

Mrs. H. Dr. Burmester, of El Verano, spent Tuesday in the Bay City.

Dr. Charles L. Harvey returned last Sunday from his trip of a fortnight to Canana.

HIRAM TRIPP FOR TAX COLLECTOR.

Hiram L. Tripp, who aspires to the office of tax collector of this county, was circulating among his many Sonoma friends this week. Hiram Tripp is one of the leading citizens of the county, a man who deservedly stands high in the esteem of his fellow-men because of a record of years, spent in their midst, characterized by the highest integrity.

Mr. Tripp has been a resident of Santa Rosa for thirty-seven years—certainly a sufficient length of time in which to evidence real worth and reliability. During all of that time preceding the earthquake, he was engaged in mercantile business in the county seat, throughout the years maintaining a reputation for honorable, square dealing that made him a prominent figure in commercial circles.

Mr. Tripp served a term in the Legislature, with satisfaction to his constituents. He has been a lifelong Republican, one of the staunch "stand-patters," who remained ever steadfast to the principles that have given to the "grand old party" its power and will again restore it to supremacy.

This is one of the reasons why the friends of Mr. Tripp believe he stands an excellent chance of being elected—his fidelity to principles, his fine integrity, and exceptional business capacity justly entitling him to the thoughtful consideration of the voters of Sonoma County.

Recovering from Lockjaw.

Arthur Ritz, the eleven-year-old son of G. Ritz, president of the Sonoma Valley Canning Company, had a miraculous escape from an agonizing death this week, as the result of burns received while working in the cannery last Sunday.

With a companion, the boy started a fire in the engine room, one pouring the distillate or gasoline into the tank, and the other boy unthoughtfully tossed a lighted match into the fluid, while his companion stood perilously near, with oil can in hand. The fire flared up, igniting the clothing of little Arthur, upon whose trousers the oil had dripped. In extinguishing the flames, the child was rolled upon the floor of the cannery, and just twenty-four hours later Dr. Irving C. Gobar was summoned to attend the child, who was in the throes of a titanic convulsion. Heroic treatment was speedily resorted to and Dr. Hennessey of Napa called in consultation. He found on his arrival that the little body had already commenced to relax and the spasmodic twitches were not so severe. The unremittent treatment conquered the dread lockjaw and Dr. Gobar now reports his patient as resting comfortably, with every likelihood of recovery. Dr. Gobar is to be congratulated on his successful treatment of the dread disease.

STRONG FOR ASSESSOR BERRY

The Petaluma Argus, one of the best-edited and fairest, squarest papers in the county, in supporting the candidacy of Dr. Phillips, for coroner, made this statement: "It is always a pleasure to us to support for positions of trust and honesty, men whom we KNOW (note that emphatic 'know') will give the people the best that is in them in their official capacity." In connection, we would also inform our readers that the editors of this stable journal are giving splendid editorial support to Assessor Joseph P. Berry. From a recent editorial we take the following extracts:

"With the possible exception of the Superior Judge, the office of county assessor is the most important one in the county. The county will be well served if the Fall election should place a man who is entrusted with the conduct of the office of county assessor must be possessed of more than ordinary ability. He must possess ample executive ability to handle men. He must possess sufficient mental discernment to appreciate property values. He must possess a mental capacity adequate to enable him to readily and comprehensively grasp the laws of taxation.

"And then, too, the really efficient county assessor must possess a strength of character such as will enable him to withstand the demands of those who would have him omit or reduce assessment in exchange for political support or personal gain, and who will accord the same courteous treatment and fair consideration to the smallest as to the largest taxpayer in the county.

"It is a MAN'S JOB to properly conduct this all-important office. It is not, in any sense of the word, an office that should be regarded from a political viewpoint.

O. L. HOUTS

Among those seeking the nomination for county assessor has been announced the candidacy of O. L. Houts, of Santa Rosa, with considerable interest. Ordinarily an office-seeker has come very little in contact with the public, except during the campaign. This applicant, however, is well-known throughout the county. This locality has for a number of years had the opportunity of meeting this gentleman and knows his clean business methods and agreeable personality.

His business experience covering many years in this county has well fitted him for this important office—an office that is of importance to every voter in this community.

As the work of the county assessor pertains to the equitable assessment of land and other properties, the years spent in handling Sonoma County realty has particularly fitted him for a practical understanding of its duties.

SUICIDES IN PUBLIC SQUARE

Citizens around Sonoma's public square were horrified, Thursday afternoon, at the spectacular suicide of Herman Hochstetter, who had been a private teacher of German in San Francisco.

Of the unfortunate man meager information had at this writing been obtained. After securing a money order for twenty-one dollars, in favor of Mrs. Barbara Webber, of 715 Laguna street, San Francisco, he purchased a revolver from the Duhring establishment, went into the rear of the Union Hotel, where he loaded the weapon, and then walked out of the hotel, through the office and into the corner of the plaza directly opposite. Standing under a tree, he placed the gun to his forehead, and sent the charge into his brain, death being instantaneous.

A telegram from Mrs. Webber received by Undertaker Henry F. Bates, yesterday morning, was to the effect that the deceased had been rooming at her house since his arrival from Germany about fourteen months ago, and that, to her knowledge, he had no relatives in this country. Mrs. Webber also advised Mr. Bates to make disposition of the remains. As Hochstetter had but forty cents in his pocket, the interment will be at the county expense.

Deceased was about sixty years of age, and evidently a man of refinement and good education. His tragic ending was undoubtedly the oft-told, pitiful story of the stranger in a strange land, reduced to abject despair by the failure to maintain a foothold in the struggle for existence.

Sebastopol Apple Show.

The thousands of visitors that will be on hand at the opening of the Fifth Annual Gravenstein Apple Show in Sebastopol, next Monday evening, will behold one of the most magnificent and spectacular displays of Pomona's favorite fruit ever made anywhere. Imagine a locomotive nearly natural size and with wheels that revolve made of apples; an electrical fountain, eight feet high, with a basin twenty feet across, lined and decorated with apples; the Rock of Ages, with a cross on its summit six feet high made of apples; a huge fireplace, glowing with living fire, and made of apples, and last, but not least, King Gravenstein himself with his harp of gold made of apples!

Besides these and other wonderful feature exhibits, there will be hundreds of beautiful table and box displays and several carload lot exhibits. There will also be numerous general farm exhibits, canned fruit exhibits and clever advertising exhibits.

The opening address will be made by Robert Newton Lynch, and the addresses of welcome will be made by Mayor Thomas F. Meagher of Sebastopol and President John P. McDonnell of the Apple Show Association.

On July 13th, 1914, By order of the Board of Supervisors, W. W. FELT, Clerk.

ASKS RE-ELECTION.

J. K. Smith has announced his candidacy for re-election to the office of sheriff of Sonoma County, subject to the will of the voters.

Jack Smith is well known to the people of Sonoma county; in fact he needs no introduction. He was born and reared in Sonoma county, being a member of one of the pioneer families who came to California by ox team. He was born in 1868, and has lived here continuously since birth. During the tenure of office he has served the people faithfully and well; many criminal cases of note have been prosecuted successfully. In criminal matters there have been 392 felony cases disposed of, 3462 misdemeanors or prisoners have come directly or indirectly through the sheriff's office; there have also been 431 cases of insane patients committed to the different institutions. In addition to this work there have been 2002 civil summonses served and 5285 jurors summoned.

The past seven years have been very busy. The plan of the new county jail now under construction were drawn and submitted by Sheriff Smith, and each deputy throughout the county has been a great help to

iff Smith. In this new building he has paid particular attention to the insane ward, as that class of people detained need all the comforts possible. This ward is entirely separated from the jail proper. In the past misdemeanor and felony prisoners have all been confined in one cage. In the new jail all of this is done away with; the felony prisoners awaiting trial, and misdemeanor prisoners doing time will be kept entirely separate. During his travels throughout the State he has inspected all the modern jails, so when the supervisors began considering the new jail quarters, the sheriff had the matter well in hand.

The bureau of identification which has been established by Sheriff Smith at his own expense has saved the county of Sonoma thousands of dollars. It is needless to dwell on the merits of the finger print and the Bertillon system; they have come to stay. In the county jail this department will be enlarged and a gallery established.

The offices of the sheriff will repose in the new building, so that all officers and prisoners will come in close contact thereby improving the officers' efficiency. In 1915, during the Panama-Pacific Exposition, Sheriff Smith expects to see a large influx of crooks in San Francisco, and Sonoma County, on account of its close proximity, will get her share.

Mr. Smith's intentions are, if re-elected, to establish through the bureau of identification a system of warning to the people. He will get the photos and records of many eastern crooks, also their method of swindling, so that the people generally will be posted.

The office of sheriff, since Mr. Smith's incumbency, has practically been taken out of politics, and each community has had the selection of its own deputy, regardless of party affiliations. Our record of the past ("our" is used before the office). So on our record of the past, and what it is intended to do in the future, the voters of the county are asked by Mr. Smith to return him to the office of sheriff.—Adv.
